Build Your Own Fire Cider

A Hands-On Wellness Workshop

As the weather turns, join us at The Frog Pad to build your own fire cider — a traditional apple cider vinegar tonic infused with horseradish, garlic, ginger, citrus, and warming spices, used for generations to support a healthy immune system.

With National Women's Health & Fitness Day taking place in September, this is a chance to gather, take a little time for yourself, and focus on the whole body: health, connection, and well-being. Leah Busby of Sleep Cycle Center co-hosts the evening, speaking on the importance of sleep and rest.
